Credit Search Consent

To make sure you get the best price and terms for your Insurance, we will use the widest possible range of Insurers available to us including some who now carry out searches of their own to protect customers from fraud and to verify identity. They do this using publicly available data which they obtain from a variety of sources, including a credit reference agency and other external organisations to whom they may need to pass some of your personal information. Their search will appear on your credit report whether or not you take out or renew a policy with them.

As well as these searches, some Insurers may use a credit check to ascertain the most appropriate payment options for you. This credit check will also appear on your credit report whether or not you take out or renew a policy with them.

Automated decision making and Profiling (if relevant)

For our on-line systems we carry out automated decision making to decide whether we can provide insurance to you and at what price. For all our quotation systems we may use external data from Credit agencies, Electoral Roll, etc. to help in decision-making on pricing and risk acceptance. This may be regarded as “profiling” as defined in the legislation. The legislation for both of these requires safeguards in the event that they have a legal or similarly significant effect on individuals. We do not consider that our processing poses such risks, but you have rights to further information on these processes as explained below.

Retention Period

Your data will not be retained for longer than is necessary and will be managed in accordance with our data retention policy. In most cases the period will be for a maximum of 7 years following the expiry of an insurance contract unless we are required to retain the data for a longer period due to business, legal or regulatory requirements.
